

PRADHAN MANTRI AWAS YOJANA:- PNB HOUSING FOR ALL

CREDIT LINKED SUBSIDY SCHEME FOR EWS/LIG BENEFICIARIES

Credit linked subsidy component is a demand side intervention in order to expand institutional credit flow to the housing needs of urban poor. Subsidy will be provided on housing loans taken by eligible urban poor (EWS/LIG) for **acquisition, construction** of house.

1. SCOPE:

- i. **“Housing for All” Mission** for urban area is being implemented during 2015-2022 and this Mission will provide central assistance to implementing agencies through States and UTs for providing houses to all eligible families/beneficiaries by 2022. Mission is being implemented as Centrally Sponsored Scheme (CSS) **except for the component of Credit Linked Subsidy** which will be implemented as a Central Sector Scheme.
 - a. A beneficiary family will comprise husband, wife and unmarried children.
 - b. The beneficiary family should not own a pucca house (an all-weather dwelling unit) either in his/her name or in the name of any member of his/her family in any part of India to be eligible to receive central assistance under the mission. An Affidavit to this effect is to be obtained.
 - c. Details of family members including children aged 18 yrs. and above (**other than borrower & co-borrower**) to be entered in CBS Menu ADPMAY mandatorily.
- ii. States/UTs, at their discretion, may decide a cut-off date on which beneficiaries need to be resident of that urban area for being eligible to take benefits under the scheme.
- iii. **Mission with all its component has become effective from the date 17.06.2015 and will be implemented up to 31.03.2022.**

2. COVERAGE AND DURATION

- i. All the statutory towns as per Census 2011 and towns notified subsequently including Notified Planning/ Development Areas shall be eligible for coverage in the Mission.

Areas falling within notified Planning/Development area under the jurisdiction of an Industrial Development Authority/Special Area Development Authority/ Urban Development Authority or any such Authority under the State Legislation which is entrusted with the functions of urban planning and regulations shall also be included for the coverage under PMAY (U).

Note 1: The beneficiaries in the permanent wait list of PMAY (G) will have the flexibility for opting for a house under PMAY (G) or PMAY (U).

Note 2: The benefits of all existing and future rural schemes will not be denied to a beneficiary covered by the above definition solely on the grounds that he has availed of a house under PMAY (U).

- ii. Urban Local Bodies should ensure that individual houses under credit linked interest subsidy should have provision for basic civic services like water, sanitation, sewerage, road, electricity etc.
- iii. The minimum size of houses should conform to standards and structural safety requirements as provided in National Building Code. All houses built or expanded under the mission should essentially have toilet facility.
- iv. The houses constructed/acquired with central assistance under the mission should be **in the name of the female head of the household** or in the joint name of the male head of the household and his wife, and only in cases when there is no adult female member in the family, the house can be in the name of male member of the household.

It is clarified that this is applicable only for new purchases and not for new construction (on an existing piece of land) or for enhancement/ repairs of an existing house.

The male borrower may be allowed to include the name of female family member at later stage in registered title deed/sale deed, so that he can produce the necessary documentation to PLIs for availing the benefits of CLSS

- v. It is advised to encourage formation of associations of beneficiaries under the scheme like RWA etc. to take care of maintenance of houses being built under the mission.

3. IMPLEMENTATION METHODOLOGY

- i. The Mission is being implemented through four verticals giving option to beneficiaries, Urban Local Bodies (ULBs) and State Governments. These four verticals are as under:
 - a. "In situ" Slum Redevelopment - Using land as a resource - With private participation - Extra FSI/TDR/FAR if required to make projects financially viable.
 - b. Affordable Housing in Partnership - with private sector or public sector including Parastatal agencies - Central Assistance per EWS house in affordable housing projects where 35% of constructed houses are for EWS category.

- c. Subsidy for beneficiary-led individual house construction - For individuals of EWS category requiring individual house - State to prepare a separate project for such beneficiaries - No isolated/ splintered beneficiary to be covered.
- d. **Affordable Housing through Credit Linked Subsidy - Interest subsidy for EWS and LIG for new house** or incremental housing – **a) EWS:** Annual Household Income Up to Rs.3 lakh and house size with carpet area upto 30 sq.mt; **&b) LIG:** Annual Household Income above Rs.3 lakhs and upto Rs.6 lakhs and house size with carpet area upto 60 sq.mt.

e **Under the Mission, beneficiaries can take benefit under one component only.** Since other three components are to be implemented by State/UT Government through Urban Local Bodies/Authorities etc. and this component is to be implemented by Bank. Therefore, in order that beneficiaries do not take advantage of more than one component Bank should use CLSS Awas Portal (CLAP) to upload data on the CLAP portal to check duplication and to facilitate tracking of application status by the beneficiaries.,

4. Credit Linked Subsidy Scheme:

Particulars	Description
Eligibility	<ul style="list-style-type: none"> ➤ Individuals from Economically Weaker Section (EWS) & Low Income Group (LIG) category. Joint owners from the same family are also eligible.
